IN APPRECIATION OF STEVEN C.  
BORELL

**HON. DON YOUNG**

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 1, 2011*

Mr. YOUNG of Alaska. Mr. Speaker, I rise today to honor Steve Borell in recognition of the 22 years of service he has given as Director of the Alaska Miners Association.

An engineering master's graduate of Kansas State University, he began his career as a pit foreman in North Dakota, quickly rising up through the ranks of his profession, eventually starting his own engineering consulting company in Anchorage, Alaska.

He began his role as Director of the Alaska Miners Association (AMA) in 1989. Founded in 1939, the Alaska Miners Association has about 1,000 members throughout Alaska and elsewhere, and exists primarily to support the mining industry and all those who work with and within it.

Through his leadership of the AMA he has unified the industry behind simple and consistent support of the responsible and safe development of minerals, doing his utmost to advocate for the mining industry in difficult economic times and in the face of staunch opposition to progress in this sector.

The mining industry brings a host of benefits to both the State of Alaska and the Nation as a whole. The jobs it creates, the economic and infrastructural development it yields, and the energy security it maintains are some of the most pressing issues facing Americans today. It is these issues that the mining industry and the AMA have always sought to address.

In doing this the AMA has sought to ensure that any restrictions on the use of land and water for infrastructural and energy development are firmly scientifically sound and economically realistic. All modern mining must address the balance between environmentalism and resource utilization—the two need not be mutually exclusive. In recognizing this, Steve has truly helped bring mining into the 21st century.

Steve has been a great Director of the AMA, unifying the industry around common goals and aims, serving the best interests of the working men who make up the ranks of the Association, and last, but not least, his tireless effort to be the voice of a whole new generation of miners.

Thanks for everything, Steve.

WHITE CASTLE'S 90TH  
ANNIVERSARY

**HON. STEVE STIVERS**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 1, 2011*

Mr. STIVERS. Mr. Speaker, I rise today to congratulate White Castle on its 90th Anniversary. White Castle is considered America's first fast-food hamburger chain and owns and operates more than 400 restaurants in 11 states.

White Castle was founded in 1921 in Wichita, Kansas by Walter A. Anderson and Edgar Waldo "Billy" Ingram. In 1933, the company moved its headquarters to Columbus, Ohio where they continue to be an integral part of the community.

White Castle is known for its small, square hamburgers called "sliders." With these tasty little burgers as their mainstay item, White Castle became the first hamburger chain to sell a million hamburgers and, later, the first chain to sell a billion hamburgers. Additionally, White Castle "sliders" have been sold in the frozen foods section of grocery stores nationwide since 1987 and have been available in vending machines since 1993.

Today, White Castle remains a family-run business having been lead by three generations of the Ingram Family. Their unique porcelain steel buildings are an icon in many neighborhoods across the Midwest.

White Castle is truly an American original and is inspiring because it is a story about the success of the American Dream. I am grateful to White Castle for being a pioneer and innovator of the fast-food industry. I congratulate White Castle and its owners and team members on their 90th Anniversary and on having provided what America craves for 90 years.

HONORING THE ROTARY/KIWANIS  
CALDWELL STREET FAIR

**HON. RODNEY P. FRELINGHUYSEN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 1, 2011*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the members of the Rotary Club of the Caldwells and the Kiwanis Club of Caldwell-West Essex, located in Essex County, New Jersey as they celebrate the 20th Anniversary of the Rotary/Kiwanis Street Fair.

In 1991, the Rotary Club of the Caldwells and the Kiwanis Club of Caldwell-West Essex decided to join forces to organize a street fair in Caldwell, New Jersey to bring the communities together and show off all that the area had to offer. Welcoming vendors and organizations of every kind, the fair has recently celebrated its 20th year.

The first Sunday of every October brings a great hustle and bustle to downtown Caldwell. It is on this day, for the past twenty years, that two great community organizations come together to bring local organizations, vendors and fun to the area. Over the years, the fair has continued to grow and now consistently brings in 30,000 people; offering these vendors and organizations the chance to interact, not only with the residents of the Caldwells, but with residents from the surrounding communities.

Run by dedicated volunteers, the Rotary/Kiwanis Street Fair provides an opportunity for local businesses to "show off" their products; for organizations to share what they do and recruit new members; but most importantly, it brings local community members together to enjoy one another's company and have a good time!

Mr. Speaker, I ask you and my colleagues to join me in congratulating the the Rotary Club of the Caldwells and the Kiwanis Club of Caldwell-West Essex for continually bringing this wonderful event to the Caldwell community.
